AN OPPORTUNITY TO HAVE INPUT INTO THE EDUCATION STATE OF VICTORIA

Parent and Teacher Forum
Thursday, 23 July, 3.45-4.45pm

The Victorian Government ‘wants to hear from all Victorians on their ideas and aspirations for the Education State’.

To facilitate this, we will be holding a parent and teacher forum to provide ‘the opportunity for everyone with an interest in education in Victoria to contribute to the Education State’. This will be held this Thursday July 23rd from 3.45pm – 4.45pm in the staff room. Light refreshments will be provided.

This opportunity for conversation will focus on questions from the following four topics:
- The Education State vision
- Achieving the vision
- Student Needs
- Partnering

The comments from these conversations need to be submitted to the project website by the end of July – so apologies for the short timeline.

This is a great opportunity, as individuals, and as a school, to let the Victorian Government know what we think they should do to improve the educational opportunities for our students.

You can learn more about the Education State or join the conversation online at http://educationstate.education.vic.gov.au/

Please complete and return the attached form by Wednesday, July 22nd.

We look forward to discussing what is best for your child’s education now and in the future.

Lois Weldon                     Carol Nardella
(Acting Principal)             (School Council President)

Name: _____________________________________    Contact number: ____________________________

I will/will not be attending the Education State forum on Thursday, July 23rd from 3.45pm – 4.45pm in the staff room.
